Clean Energy Expert, David Williams, to Visit Honduras on Behalf of ECPA Senior Fellows

Washington, D.C., October 10, 2014 – [David Williams](#) a Senior Fellow in the Energy and Climate Partnership of the Americas (ECPA), will be traveling **October 13th – October 18th** to participate in meetings and events in **Honduras** including [IV Congreso Internacional de Eficiencia de Recursos y Tecnologías Limpias](#). Senior ECPA Fellow **David Williams** leads [dissigno](#) and founded SolCarib financing renewable resilience..

[The Senior ECPA Fellows](#) program is a network of high-level technical experts in the fields of climate change and energy who travel between countries in the Western Hemisphere to consult with governments or other institutions. The program is sponsored by the [U.S. Department of State's Bureau of Western Hemispheric Affairs](#) and is administered by [Partners of the Americas](#). There are currently [10 Senior ECPA Fellows](#) who participate in these international exchanges. The main areas of focus for the program are: energy efficiency, renewable energy, energy infrastructure, energy poverty and access, sustainable forestry and land use, and climate change adaptation.

During his visit to **Honduras**, **David Williams** will deliver a keynote presentation at the IV Congreso Internacional de Eficiencia de Recursos y Tecnologías Limpias on the topic of *Renewable Energy and Climate Change: business opportunities*. He will participate in meetings with Max J. Steiner from the [Embassy of the United States of America in Tegucigalpa](#), representatives from the [CNP +LH](#), officials from the [Universidad Nacional Autónoma de Honduras](#) and with representatives from the [Conference Sponsor Companies](#) in order to seek opportunities for potential projects.

##

[Partners of the Americas](#) is an international network that promotes social and economic development in the Americas through leadership, voluntary service, and development programs. Its mission is to connect individuals, volunteers, institutions, businesses, and communities to serve and to change lives through lasting partnerships. Partners envisions an interconnected hemisphere that maximizes the social and economic potential, and leverages the full diversity, of the Americas.
